

COMMERCIAL SOFTWARE LICENSE AGREEMENT

The computer software known as GenomeViz was developed at the Justus-Liebig University in the Institute of Medical Microbiology by Rohit Ghai, Torsten Hain and Trinad Chakraborty.

The software is being provided on an “as is“ basis for your commercial research purposes. Please do not distribute the software, or any portion or part thereof, beyond your organization. We are providing the software to you without warranties and with no provisions for support or future enhancements as stipulated below. Please note that Justus-Liebig University and its employees have no liability in connection with use of the software.

1. This is a legal agreement between you, RECIPIENT and JUSTUS-LIEBIG UNIVERSITY (hereafter referred to as JLU). By accepting, receiving and using this Program, you are agreeing to be bound by the terms of this Agreement.
2. JLU grants to RECIPIENT a royalty-free, nonexclusive, and non-transferable license to use the Program furnished hereunder, upon the terms and conditions set out below.
3. RECIPIENT acknowledges that the Program is a research tool still in the development stage and that it is being supplied “as is”, without any accompanying services or improvements from the DEVELOPER.
4. RECIPIENT agrees to use the Program solely for internal purposes and shall not distribute or transfer it to another location or to any other person. RECIPIENT may not make modifications in the source code.
5. Title and copyright to the Program and associated documentation shall at all times remain with JLU, and RECIPIENT agrees to preserve same. RECIPIENT agrees not to make any copies except for its internal use in the laboratory below.

RECIPIENT agrees to place the appropriate copyright notice on any such copies.

We charge a nominal 100 euro from commercial users. If you agree with the above points, please have a legally responsible official of your institution sign and mail it to Rohit.Ghai@mikrobio.med.uni-giessen.de or fax it to 0049 641 99 46409. Please send the payment to the following account.
